Exhibit C to Town of Parker Land Use Application

Letter of Authorization from Property Owner

[Date _____]

Community Development Department
Town of Parker
20120 East Mainstreet
Parker, CO 80138

Regarding: Property Owner Letter of Authorization
[Name of Project: _____]

I, (*Name of Property Owner*), hereby certify that I am the legal owner of record of the land described in the attached Legal Description (See Exhibit A to this Land Use Application), and do hereby authorize (*Name of Applicant/Applicant's Representative*) to process this land use application on behalf of the subject property.

I understand that in the review of this project, by providing this authorization, I will allow Town of Parker Staff to enter the subject property for purposes of evaluating this land use request, as the specifics of this application may require.

I also understand that as part of the review of this project, the Town may find it necessary to outsource certain aspects of the review. Although there is a Charge Back Agreement submitted by the applicant for payment of those outsourced review fees which specifies that the applicant shall pay such fees, ultimately, it is the subject property, itself, which encumbers the ultimate responsibility for repayment of those fees in the event of default of payment by the applicant. Should this occur, I understand that the Town has, as part of its remedies under the Charge Back Agreement and Land Use Application, the imposition of liens against the property, should such become necessary.

3. Attorney Fees. Should this Agreement become the subject of litigation to resolve a claim of default of performance by the Owner and a court of competent jurisdiction determines that the Owner was in default in the performance of the Agreement, the Owner shall pay the attorney fees, expenses and court costs of the Town.

4. Severability. If any provision of this Agreement is invalid, illegal or unenforceable, such provision shall be severable from the rest of this Agreement, and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

5. Governing Law. This Agreement shall be governed by and construed in all respects according to the laws of the State at Colorado.

6. Headings. Headings of the sections of this Agreement are inserted for convenience only and shall not be deemed to constitute a part hereof.

7. Modifications. No amendments to or modifications of this Agreement shall be made or be deemed to have been made, unless such amendments or modifications are made in writing and executed by the party to be bound thereby.
